**Important to note:**

No Data, No Charge Policy: Our No data, No charge policy guarantees that you only pay for a successful recovery of your data.

Guaranteed privacy: Data Sleuth offers clients a secure environment so that they can rest easy knowing their information is kept private.

Quotation Fee: All quotations and initial examinations are at no cost, with the exception of shipping, if any.

Transfer Media: The client is responsible for providing the recovery media.

Return Shipping: All clients pay for return shipping before any drives or data is returned.

Once your recovery is finished, we will contact you with total cost with the shipping fees added to the final invoice.
